

Untrodden Peaks and Unfrequented Valleys

AMELIA B. EDWARDS

EDWARDS UNTRODDED PEAKS AND UNFREQUENTED VALLEYS

Untrodden Peaks and Unfrequented Valleys

by Amelia B. Edwards (1831-1892)

Amelia B. Edwards wrote this, her first travelogue, in 1873. The book describes her travels through a remote area in the South Tyrol district of Italy.

In this book, Edwards and her friend and companion, L., travel from Southern Italy, having over-wintered there, to visit the Dolomite district. Her chatty style, dry sense of humor, accuracy of facts, and sympathy for humanity set her works apart. The slice of Victorian British life presented is quite captivating.

She would later travel throughout Europe and Egypt at a time when most women seldom left home. She was later to become one of the pioneering Egyptologists of the age.
